Intel Kabylake U Fanless Series.

The internal UPS battery (optional) provides the time necessary to back up valuable data when unexpected power outages happen.

Weighing at just 11lbs without the battery, M215 is one of the lightest models on the market, so healthcare staff can easily maneuver medical carts without the fear of tipping over.

Fanless and quiet, PCAP touch, M215 is designed with practical medical applications in mind so you can focus on your work and patients.
